Burnin' Up- Jonas Brothers

I'm hot
You're cold
You go around
Like you know
Who I am
But you don't
You got me on my toes

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
Cuz I'm burning up
Burning up
For you baby

C'mon girl...

I fell [I fell]
So fast [so fast]
I can't hold myself
Back
High heels [high heels]
Red dress [red dress]
All by yourself
Gotta catch my breath

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
Cuz I'm burning up
Burning up
For you baby

Walk in the classroom
All I can see is you
You're staring me down
I know you feel it too

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
Cuz I'm burning up
Burning up
For you baby

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
Cuz I'm burning up
Burning up
For you baby

[rapping by Big rob]

We're burnin' up in this place tonight

We're proud to sing it loud
(And we're feeling right)
Get up and dance
(Don't try to fight it)
Big Rob's for real
(And that's no lie)
Stop drop and roll
(And touch the floor)
(While he keeps on burning up)
More and More
I got J.B. with me
(Laying it down)
Now come on boys
Let's bring the chorus around

I'm slipping into the lava
And I'm tryin' to keep from going under
Baby, who turned the temperature hotter
Cuz I'm burning up
Burning up
For you baby
Burning up
Burning up
For you baby

The Climb-Miley Cyrus

I can almost see it
That dream I'm dreaming but
There's a voice inside my head sayin,
You'll never reach it,
Every step I'm taking,
Every move I make feels
Lost with no direction
My faith is shaking but I
Got to keep tryin
Got to keep my head held high

There's always going to be another mountain
I'm always going to want to make it move
There's always going to be an uphill battle,
Sometimes I'm going to have to lose,
Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb

The struggles I'm facing,
The chances I'm taking
Sometimes they might knock me down but
No I'm not breaking
I may not know it
But these are the moments that
I'm going to remember most yeah
Just got to keep going
And I,
I got to be strong
Just keep pushing on,
cause

There's always going to be another mountain
I'm always going to want to make it move
Always going to be an uphill battle,
Sometimes I'm going to have to lose,
Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb

There's always going to be another mountain
I'm always going to want to make it move
Always going to be an uphill battle,
Sometimes you're going to have to lose,
Ain't about how fast I get there,
Ain't about what's waiting on the other side
It's the climb

Keep on moving
Keep climbing
Keep the faith baby
It's all about
It's all about
The climb

Day N Nite- Kid Cudi (BR EDIT)

Day and night
I toss and turn, I keep stressing my mind, mind
I look for peace but see I don't attain
What I need for keeps this silly game we play, play
Now look at this
Madness to magnet keeps attracting me, me
I try to run but see I'm not that fast
I think I'm first but surely finish last, last

[Chorus]
Cause day and night
The lonely loner seems to free his mind at night
He's all alone, through the day and night
The lonely loner seems to free his mind at night (at, at, at night)
Day and night
The lonely loner seems to free his mind at night
He's all alone some things will never change (never change)
The lonely loner seems to free his mind at night (at, at, at night)

[Verse 2]
Hold the phone
The lonely loner, mr. solo dolo
He's on the move can't seem to shake the shade
Within his dreams he see's the life he made, made
The pain is deep
A silent sleeper you won't hear a peep, peep
The girl he wants don't seem to want him too
It seems the feelings that she had are through, through

[Chorus]
Cause day and night
The lonely loner seems to free his mind at night
He's all alone, through the day and night
The lonely loner seems to free his mind at night (at, at, at night)
Day and night
The lonely loner seems to free his mind at night
He's all alone some things will never change (never change)
The lonely loner seems to free his mind at night (at, at, at night)

[Verse 3]
Slow-mo
When the tempo slows up and creates that new, new
He seems alive though he is feeling blue
The sun is shining man he's super cool, cool
The lonely nights
They fade away he slips into his white Nikes
The sun is shining man he's super cool, cool
To free his mind in search of
To free his mind in search of
To free his mind in search of

[Chorus]
Cause day and night

The lonely loner seems to free his mind at night
He's all alone, through the day and night
The lonely loner seems to free his mind at night (at, at, at night)
Day and night
The lonely loner seems to free his mind at night
He's all alone some things will never change (never change)
The lonely loner seems to free his mind at night (at, at, at night)

At, at, at night

Don't Forget- Demi Levato

Did you forget
That I was even alive
Did you forget
Everything we ever had
Did you forget
Did you forget
About me

Did you regret
(Did you regret)
Ever standing by my side
Did you forget
(Did you forget)
What we were feeling inside
Now I'm left to forget
About us

But somewhere we went wrong
We were once so strong
Our love is like a song
You can't forget it

So now I guess
This is where we have to stand
Did you regret
Ever holding my hand
Never again
Please don't forget
Don't forget

We had it all
We were just about to fall
Even more in love
Than we were before
I won't forget
I won't forget
About us

But somewhere we went wrong
We were once so strong
Our love is like a song
You can't forget it

Somewhere we went wrong
We were once so strong
Our love is like a song
You can't forget it
At all

And at last
All the pictures have been burned
And all the past
Is just a lesson that we've learned
I won't forget
Please don't forget us

But somewhere we went wrong
Our love is like a song
But you won't sing along
You've forgotten
About us

Don't forget

Fly On the Wall- Miley Cyrus

You don't understand what it is
That makes me tick
But you wish you did
You always second guess, wonderin'
I say yes but you just lose out every time

If you only knew what I talked about
When I'm with my friends just hangin' out
Then you'd have the inside scoop
On what to say, what to do
That way when you play the game
Baby you can never lose

(Chorus:)

Don't you wish that you could be a fly on the wall
A creepy little sneaky little fly on the wall
All my precious secrets, yeah
You'd know them all
Don't you wish that you could be a fly on the wall

You'd love to know, the things I do
When I'm with my friends, and not with you
You always second guess, wonderin'
If other guys I'm flirting with
You should know by now

If you were my boyfriend, I'd be true to you
If I make a promise, I'm comin' through
Don't you wish that you could
See me every second of the day
That way you would have no doubt
That baby I would never stray

(Chorus:)

Don't you wish that you could be a fly on the wall
A creepy little sneaky little fly on the wall
All my precious secrets, yeah
You'd know them all
Don't you wish that you could be a fly on the wall

A little communication
Well that will go a long way
You're getting misinformation
Too much hearsay, hearsay

And what I say is
Come a little closer
And what I'm gonna say is

DON'CHA

Don'cha
Don' cha
Don't you wish you were a...
Hey!

(Chorus:)

Don't you wish that you could be a fly on the wall
A creepy little sneaky little fly on the wall
All my precious secrets, yeah
You'd know them all
Don't you wish that you could be a fly on the wall

Get Back- Demi Levato

Don't walk away like you always do, this time
Baby you're the only thing that's been, on my mind
Ever since you've left I've been a mess
You won't answer your phone
I'll say it once and I'll leave you alone
But I gotta let you know.

I wanna get back to the old days
When the phone would ring, and I knew it was you
I wanna talk back, and get yelled at
Fight for nothing, like we used to
Oh kiss me, like you mean it
Like you miss me, cause I know that you do
I wanna get back, get back
With you

Don't look at me that way I see it in your eyes
Don't worry about me I've been fine
I'm not gonna lie I've been a mess
Since you left
And every time I see you it gets more and more intense

I wanna get back to the old days
When the phone would ring, and I knew it was you
I wanna talk back, and get yelled at
Fight for nothing, like we used to
Oh kiss me, like you mean it
Like you miss me, cause I know that you do
I wanna get back, get back
With you

You were the only one I wanted
And you were the first one I fell for
You're the only one that I'm in need of
And I don't wanna be lonely anymore

I wanna get back to the old days
When the phone would ring, and I knew it was you
I wanna talk back, and get yelled at
Fight for nothing, like we used to
Oh kiss me, like you mean it
Like you miss me, cause I know that you do
I wanna get back, get back
With you

Get back (Get back)
Get back (Get back)
Get back (Get back)
Get back (Get back)

Oh kiss me, like you mean it
Like you miss me, cause I know that you do
I wanna get back, get back
I wanna get back, get back
I wanna get back, get back

With you

Get back!

Goodbye- Kristinia DeBarge

am i supposed to put my life on hold,
because you dont know how to act,
and you dont know where your life is going.
am i supposed to be torn apart,
broken hearted, in a corner crying
pardon me, if i dont show it.

i dont care, if i never see you again, ill be alright.
take this final piece of advice, and get yourself together,

Halo-Beyonce' (BR Edit)

Remember those walls I built?
Well, baby they are tumbling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you in
But, I never really had a doubt
Standing in the light of your halo
I got my angel now
It's like I've been awakened
Every rule I had, you break it
It's the risk that I'm taking
I ain't never gonna shut you out!
Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby, I can feel your halo
Pray it won't fade away
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Halo, ooh ooh.....
Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light
I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget
To pull me back to the ground again
It's like I've been awakened
Every rule I had, you break it
It's the risk that I'm taking
I'm never gonna shut you out!
Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby, I can feel your halo
I pray it won't fade away
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Halo, ooh ooh.....
I can feel your halo
I can see your halo
I can feel your halo

I can see your halo
Halo, ooh ooh.....
Halo, ooh ooh.....
Halo, ooh ooh, ooooh.....
Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby, I can feel your halo
I pray it won't fade away
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Halo, ooh ooh.....
I can feel your halo
I can see your halo
I can feel your halo
I can see your halo
Halo, ooh ooh.....

Heartless-Kayne West

[Chorus]

In the night, I hear 'em talk,
the coldest story ever told
Somewhere far along this road, he lost his soul to a woman so heartless..
How could you be so heartless?
Oh.. How could you be so heartless?

[Verse 1]

How could you be so, cold as the winter wind when it breeze, yo
Just remember that you talkin' to me yo
You know need to watch the way you talkin' to me, yo
I mean after all the things that we've been through
I mean after all the things we got into
Hey yo, I know of some things that you ain't told me
Hey yo, I did some things but that's the old me
And now you wanna get me back and you gon' show me
So you walk around like you don't know me
You got a new friend, well I got homies
But in the end it's still so lonely

[Chorus]

In the night, I hear 'em talk,
The coldest story ever told
Somewhere far along this road, he lost his soul to a woman so heartless..
How could you be so heartless?
Oh.. How could you be so heartless?

[Verse 2]

How could you be so Dr. Evil, you bringin' out a side of me that I don't know..
I decided we weren't gon' speak so
Why we up 3 A.M. on the phone
Why does she be so mad at me fo'
Homie I dont know, she's hot and cold
I won't stop, won't mess my groove up
'Cause I already know how this thing go
You run and tell your friends that you're leaving me
They say that they don't see what you see in me
You wait a couple months then you gon' see
You'll never find nobody better than me

[Chorus]

In the night, I hear 'em talk,
The coldest story ever told
Somewhere far along this road, he lost his soul to a woman so heartless..
How could you be so heartless?
Oh.. How could you be so heartless?

[Verse 3]

Talkin', talkin', talkin', talk
Baby let's just knock it off

They don't know what we been through
They don't know 'bout me and you
So I got something new to see
And you just gon' keep hatin' me
And we just gon' be enemies
I know you can't believe
I could just leave it wrong
And you can't make it right
I'm gon' take off tonight
Into the night...

[Chorus]

In the night, I hear 'em talk.
The coldest story ever told
Somewhere far along this road, he lost his soul to a woman so heartless..
How could you be so heartless?
Oh.. How could you be so heartless?

How Do You Sleep- Jesse McCartney

Oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh

It's been about a year now
Ain't seen or heard from you
I been missing you crazy
How do you how do you sleep
I found a letter you wrote me
It still smells just like you
Damn those sweet memories
How do you how do you sleep how do you sleep

Tried my best at moving on have yet to find a girl like you
See things now I didn't before now I'm wishing I had more time with you
How do you stay awake knowing all I do is think of you
All the things we thought about that never will happen again
If I could just see you

If I had my way I'll come and getcha girl
In your favorite car with the missing top
Around my way where we used to park
And did all those things to steal your heart

It's been about a year now
Ain't seen or heard from you
I been missing you crazy

And again and again (compliments 'bout you)
They say we saw your girl at the game
And man we gotta say a big mistake by you
How do you stay awake knowing all I do is think of you
Tell me that you gettin' no sleep, can't think
Can't eat until I come see you

If I had my way I'll come and getcha girl
In your favorite car with the missing top
Around my way where we used to park
And did all those things to steal your heart

It's been about a year now
Ain't seen or heard from you

I Do Not Hook Up- Kelly Clarkson (BR Edit)

Oh, sweetheart,
You've got too much talent
I see you through those bloodshot eyes
There's a cure, you've found it
Slow motion, sparks
You've caught that chill
Now don't deny it
But boys will be boys
Oh, yes, they will
They don't wanna define it
Just give up the game and get into me
If you're looking for thrills then get cold feet

Oh, no I do not hook up, up I go slow
So if you want me, I don't come cheap
Keep your hand in my hand,
Your heart on your sleeve
Oh, no I do not hook up, up I fall deep
Cause the more that you try, the harder I'll fight
To say goodnight

I can't cook no, but I can clean
Up the mess she left
Lay your head down and feel the beat
As I kiss your forehead
This may not last but this is now
So love the one you're with
You wanna chase but you're chasin' your tail
A quick fix won't ever get you well

Oh, no I do not hook up, up I go slow
So if you want me, I don't come cheap
Keep your hand in my hand,
Your heart on your sleeve
Oh, no I do not hook up, up I fall deep
Cause the more that you try, the harder I'll fight
To say...

Cause I feel
The distance
Between us
Could be over
With the snap of your finger
Oh no!

Oh, no I do not hook up, up I go slow
So if you want me, I don't come cheap
Keep your hand in my hand,
Your heart on your sleeve
Oh, no I do not hook up, up I fall deep
Cause the more that you try, the harder I'll fight
To say...
Cause the more that you try, the harder I'll fight
To say goodnight

I Got A Feeling Lyrics- Black Eyed Peas (BR Edit)

I gotta feeling that tonight's gonna be a good night
that tonight's gonna be a good night
that tonight's gonna be a good good night (x2)

Tonight's the night night
Let's live it up
I got my money
Let's spend it up

Go out and smash it
like Oh My God
Jump off that sofa
Let's get get OFF

I know that we'll have a ball
if we get down
and go out
and just loose it all

I feel stressed out
I wanna let it go
Lets go way out spaced out
and loosing all control

Fill up my cup
Mozoltov
Jump off that sofa
Let's get get OFF

Lets paint the town
We'll shut it down

and then we'll do it again

Lets Do it (x3)
Let's live it up

i gotta feeling that tonight's gonna be a good night
that tonight's gonna be a good night
that tonight's gonna be a good good night (x2)

Tonight's the night
let's live it up
